

**Supreme Court.**

Before Hon. Judge Whiting.  
Sept. 11.—Decisions—in the Matter of the Assessment for  
Regulating, &c., Fifty-first Street—This is a motion for an  
allowance of a common law certiorari. The proceeding  
sought to be removed is the assessment made by the  
Common Council for regulating, grading, setting curb  
and gutter, andлагing sidewalk in Fifty-first street.  
The writ is asked for by the city on behalf of the assessors.  
On the argument more mature reflection I am constrained to  
follow the case of the People vs. the supervisors of Al-  
bany, 15 Wend., 198; the master of Mount Morris  
square, 21 Wend., 16, which are decided against the  
plaintiffs in the case. Judge J. C. Bowen said—“We ought  
not to allow this writ where taxes or awards of damages are in question which affect any consider-  
able number of persons. If there be a want of ju-  
risdiction even in the matter sought to be reviewed,  
the writ of certiorari may be issued in favor of the court of  
which the persons' rights may be injuriously affected,  
an action lies; and it is much better that he should be  
permitted to remedy that than that the whole proceeding  
should be arrested, and perhaps be-  
reversed for such errors.”

**Watchmen's Hair, Dye, Wigs and Toupees**  
afforded to all others. Their new improvements secure  
perfect comfort to the wearer, natural elegance and durability.  
The hair is unrivaled, and the hair-dye is applied in  
private rooms at BATCHELOR'S, 23 Broadway.

**Wigs, Wigs, Wigs—5,000 of those Inval-  
uable Wigs, wigs, wigs, at MEDFORD & CO.'s, 105 Broad-  
way, large number of wigs, wigs, wigs, no shrinking or  
change color; perfect fit guaranteed; beware of extravagant  
Broadway prices. Beside hands, curles, &c. &c.**

All other Hair Dyes die—that is, worn out,  
When CRISTADORO'S burst upon the town,  
Importing beauty to the reddit crown.

**Manufactured, sold and privately applied  
at No. 6 Astor House.**

**Gouraud's Italian Medicated Soap.** It is  
well known, is the only reliable article for washing, pain-  
relief, &c., &c. It has been used in all our deformities.  
Poudre subtile uprises hair from foreheads or any part  
of the body, warranted. Liquid rouge, for pale cheeks and lips;  
lip salve, for pale lips; perfume, for delicate skins. Dried soap  
for the return, which was done in the case of the People vs.  
The Supervisors of Albany. Medical denied, without  
the Supers.

**In the Matter of the Application of Wm. B. Colman**—  
The motion for discharge must be denied, with liberty to  
revert under a new trial, and the same may be obtained.  
Hon. Judge Bowen.

**In the Matter of the Application of the Mayor, Aldermen  
and Commonalty.**—Order that amount due on the mort-  
gage to the city first paid to the Chamberlain, and the  
surplus only to the petitioners, reserving the question of  
the title of the lands for commissioners.

**The Albatross vs. J. J. Madeline Abraham**—  
Judgment of nullity of second marriage, the first being  
in full force.

**Court Calendars—This Day.**

**Politics and Art.—No Higher Appreciation**  
could possibly be shown of the superiority of the work of BRA-  
DY as artist than the fact that in spite of the increasing fa-  
vor in the political world—in the midst of the rising tempest  
which has enveloped him—a host of well pleased patrons  
have given him a hearty cheering—the current of well pleased patrons  
to his establishment is not only undiminished but steadily in-  
creases. No momentary excitement can put the laurels of true  
art—
